Schedule for End Semester Examination and Campus Immersion (Spring AY 2023-24)

To support students enrolled in offline courses elsewhere, the end semester exams will proceed with minor adjustments in already circulated calendar, as outlined in the schedules provided on the following pages (refer to Annexure – I for UG (BSc/BBA), Annexure – II for executive MTech, and Annexure – III for executive MBA). Further, considering the challenges of traveling to Patna during peak summer (with temperatures expected to reach approximately 45°C), it has been decided to conduct the end-semester exams via proctored online mode only, utilizing a secure browser. Consequently, there is **no campus immersion in the May 2024**.

Additionally, the presentation and evaluation of the Capstone Project for semester 2 students of B.Sc. (CSDA) will take place from June 27th to July 1st, 2024, during the campus immersion period. The schedule for the campus immersion for all the students is provided in Annexure-IV.
